

As third sector leads for Health & Social Care the intention is to have a third interface (TSI) representative on each of the 6 locality forums. As there is currently a development officer vacancy only 2 of the 6 are covered by the TSI.

North Coast and Cumbrae	representative	Michelle Trainer
Isle of Arran	representative	Carol Kane

You can contact both of these reps via Arran CVS on 01770 600611 for more information.

For partnership information on locality forums click the link below;
